The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cattaraugus County Emergency 911 Center Modernization and Upgrade project. The entity to receive funding is Cattaraugus County, located at 303 Court St. Little Valley, NY 14755. This funding will be used to strengthen Cattaraugus County's law enforcement operations by modernizing the communications systems officers rely on to respond to crimes, traffic stops, and emergencies. It is a responsible use of taxpayer funds because it reduces system failures, improves response times, and directly enhances officer safety while maximizing the lifespan of critical infrastructure in a cost-effective way.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
