The Hon. Rosa DeLauro
Ranking Member
House Appropriations Committee

Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Chautauqua Lake Aquatic Ecosystem Restoration Project in fiscal year 2024. The entity to receive funding for this project is U.S. Army Corps of Engineers, Pittsburgh District, located at 1000 Liberty Ave, Pittsburgh, PA 15222.

The funding would be used for remediating water quality and other hydrological impairments of Chautauqua Lake. The project is an appropriate use of taxpayer funds because Chautauqua Lake is an impaired waterbody in accordance with the Clean Water Act, with phosphorus concentrations that are three times in excess of the Total Maximum Daily Load guidance value.

The project has a federal nexus because the funding provided is authorized by Section 1201 (6) of the America's Water Infrastructure Act of 2018 (PL 115-270). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy

Member of Congress
