The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fire Truck Replacement project. The entity to receive funding is the City of Hornell, located at 82 Main Street, PO Box 627 Hornell, NY 14843. This funding will replace a failing fire engine with a modern pumper truck, ensuring the Hornell Fire Department can respond quickly and effectively to fires and emergencies across the city and surrounding communities it supports through mutual aid. This project is a responsible use of taxpayer funds because it reduces costly maintenance on aging equipment, ensures reliable frontline emergency response, and directly protects lives and property by equipping firefighters with safe, up-to-date apparatus.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
