The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Olean Police Department Modernization project. The entity to receive funding is the City of Olean, located at 101 East State Street Olean, NY 14760. The funding will be used to modernize a 1959 police facility that has reached critical failure, replacing unsafe infrastructure and bringing the department into compliance with modern policing standards, ADA requirements, and basic officer safety needs. This project is a responsible use of taxpayer funds because it improves public safety, supports officer recruitment and retention, and ensures the community is served by a functional and efficient police force.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
