The Honorable Tom Cole
Chairman
Committee on Appropriations
2308 Rayburn House Office Building
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

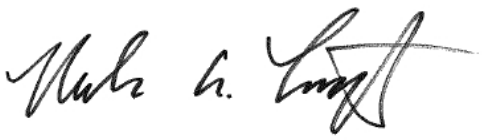
Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Dix Water and Sewer Extension project. The entity to receive funding for this project is the Town of Dix, located at 2266 County Road 17, Watkins Glen, NY 14891. The funding would be used for extension of the Town's existing water and sewer service to create a loop on Wedgewood Rd., State Route 414, and Meads Hill Road.

The project is an appropriate use of taxpayer funds because it will help improve the local water infrastructure and support continued economic development.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,



Nicholas A. Langworthy (NY-23)

Member of Congress
