The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Chadakoin River Stormwater Channel Maintenance project. The entity to receive funding for this project is the City of Jamestown, located at 200 East Third Street, Jamestown, NY 14701. The funding would be used for addressing flood-inducing sedimentation in nine distinct stormwater channels, as part of broaders stormwater management efforts.

The project is an appropriate use of taxpayer funds because it will ensure better stormwater and flood management for the overall stability of nearby roadway infrastructure that serve heavily trafficked commercial and industrial corridors.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy (NY-23)

Member of Congress
