The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lancaster Continues to Make Community a Priority Project in Fiscal Year 2027. The entity to receive funding for the project is the Town of Lancaster located at 21 Central Avenue, Lancaster, New York 14086. This funding will be used to construct a modern public safety training and community facility in the Town of Lancaster, expanding workforce training capacity for law enforcement and emergency personnel while also providing space for community programming and events. It is a responsible use of taxpayer funds because it meets a clear local need for training infrastructure, strengthens workforce development, and delivers broad economic and public safety benefits to the region in a cost-effective way.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a) (2).

I certify that I have no financial interest in this project, neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
