The Honorable Tom Cole
Chairman

H-305, the Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Elmira College Technology Upgrade to Enhance Science Research and Innovation. The entity to receive funding for this project is Elmira College, located at One Park Place, Elmira, NY 14901.

The funding would be used for information technology upgrades and scientific research equipment at the College. The project is an appropriate use of taxpayer funds because it will help Elmira College expand opportunities to educate and develop a STEM workforce in upstate New York, while promoting continued advanced research.

The project has a Federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy (NY-23)

Member of Congress
