The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
2413 Rayburn House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Montour Falls for Storm Water Improvement in Fiscal Year 2027. The entity to receive funding for the project is the Village of Montour Falls located at 408 W Main Street, Montour Falls, New York 14865. The funding would be used for a vital street reconstruction project aimed at mitigating recurring flooding and wastewater infiltration. The project is an appropriate use of taxpayer funds because it will reduce chronic flooding and wastewater infiltration, protect water quality, and leverage local investment to deliver a cost-effective infrastructure upgrade that improves public safety and environmental outcomes for the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title IV of the Clean Water Act 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, neither does anyone in my immediate family.

Sincerely,

---

Nicholas A. Langworthy  
Member of Congress
