Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Prospect Street Landslide Repairs in fiscal year 2024. The entity to receive funding for this project is the Seneca Nation of Indians, located at 90 Ohi:yo' Way Salamanca, NY 14779. The funding would be used to repair Prospect Street. The project is an appropriate use of taxpayer funds because it would enable state and local law enforcement and first responders to reduce response times for emergencies in the area. Repairing Prospect Street is also important because the road serves as one of only two entryways into the Seneca Nation's Indian Hill community. The project has a Federal nexus because the funding provided is for purposes described in 23 USC 201. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
