Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for St. Bonaventure University Cyber Operations Center in fiscal year 2024. The entity to receive funding for this project is St Bonaventure University, located at 3261 W. State Rd. P.O. Box A St. Bonaventure, New York. 14778. The funding would be used for advanced cybersecurity display technology, high-end computing workstations, cybersecurity instrumentation, correlation, and detection analytics hardware/software, network infrastructure, and forensic tools. The project is an appropriate use of taxpayer funds because the school will offer workforce development, specialist training, and high school early education programming. This initiative is especially important given the continued cyberattacks against public and private institutions, which increase in number, size, and complexity each year

The project has a Federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.
