The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
2308 Rayburn House Office Building  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
2413 Rayburn House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Snow Removal Equipment project. The entity to receive funding is the Village of Angola, located at 41 Commercial Street Angola, NY 14006. This funding will allow the Village of Angola to replace outdated snow removal equipment, ensuring roads remain safe and accessible during winter storms. This project is a responsible use of taxpayer funds because it enhances public safety, reduces long-term maintenance costs, and supports the continuity of essential services for residents, schools, and local businesses.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---

Nicholas A. Langworthy  
Member of Congress
