The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Cuba for Sanitary Sewer System Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Village of Cuba, located at 17 East Main Street, Cuba, New York 14727. The funding would be used for improvements to the Village of Cuba sanitary sewer collection system and wastewater treatment facility (WWTF). The project is an appropriate use of taxpayer funds because it will modernize critical wastewater infrastructure, reduce the risk of overflows and contamination, and protect water quality and public health while leveraging local investment to ensure long-term system reliability.

The project has a federal nexus because the funding provided is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
