Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Village of Portville Water System Improvements Project in fiscal year 2024. The entity to receive funding for this project is the Village of Portville, located at 1 South Main Street, Portville, NY, 14770.

The project is an appropriate use of taxpayer funds because it would ensure that existing sanitary collection system is improved to avoid contamination of water and surrounding environment.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nicholas A. Langworthy
Member of Congress
